If your child is in the Elementary or Kindergarten program, he or she will begin on August 26, 2024. If your child is new to the Primary or Pre-Primary (2 year old) program, he or she will begin on a staggered basis and the office will inform you of your child’s start date. Please contact the office if you have any further questions.

“OOS open” denotes that the “Out of School” extended day services are available that day from 8:00am-4:00pm. Registration for these services will occur in August.
